Alexander Orthopaedic Associates Disclosure of Policies

Financial Policy:

Alexander Orthopaedic Associates participates with many forms of health insurance, such as HMO's, PPO's, Workman's Compensation and Medicare. However, few insurance carriers cover all medical costs and a balance on your account may result from co-payments, co-insurance, deductibles, or non-covered services. The patient is responsible for full payment of any and all balances deemed "patient responsibility" by their insurance carrier. We will file medical insurance claims as a courtesy to our patients.

Motor Vehicle and Worker's Compensation: In order for our office to submit your claims for you, you must provide us with the following information: insurance company name, address and telephone number, as well as your claim number, date of accident and claims adjuster's name. In the event that your insurance denies or terminates your benefits, you will be responsible for full payment for services rendered. Please note for all Workers' Compensation patients, your initial appointment must be scheduled by your nurse case manager or Worker's Compensation adjustor. Authorization must be received prior to the initial office visit. Motor Vehicle patients, please note prior to your initial office visit your auto benefits must be confirmed and verified by our office.

Payment Policy:

All co-payments, co-insurance, and deductibles are paid at the time of service to help control costs of medical care. Payments may be made by cash, check, Visa, MasterCard, American Express, and Discover. For larger amounts, such as surgical fees not covered by insurance, AOA will work with you to arrange a payment plan. Self pay patients and Surgical Pre-pay patient's payments will only be accepted via credit card, cash payment, and/or money orders.

Treatment of Patients:

Throughout your treatment at AOA, the medical providers may order diagnostic testing to help determine your diagnosis or create a better treatment plan for you, the patient. These tests include lab work, x-rays, MRI's, CT scans, Bone Scan's, etc. Failure to schedule or obtain the recommended diagnostic studies in a timely manner or to schedule a follow up appointment to review the diagnostic tests in a timely manner; will constitute as a breech of our recommendations and is Against Medical Advice (AMA). Therefore, AOA employees and medical providers will not be held responsible for lack of patient responsibility and purposeful

disregard of our medical recommendations. Non- compliance may result in an adverse complication to the patient's medical result/ outcome.
Alexander Orthopaedic Associates notifies you that our providers may be involved in education, research, development and/ or consulting with regards to Orthopaedic products and the Orthopaedic industry; therefore the providers may benefit directly or indirectly from such educational, research, development and/ or consulting relationships. This will not conflict with the best interest of the patient and/or their medical condition/ diagnoses.
Alexander Orthopaedic Associates notifies you that some or all providers may or may not carry Medical Malpractice Insurance.

Form Fee Agreement

Please note: The completion of informational/insurance forms represents an administrative service to our patients above and beyond the provision of medical care. Recent changes in health care have resulted in the tremendous increase in the volume of information requests to our practice. The time and effort involved in providing this detailed information results in significant costs, especially when multiplied over the large number of patients our practice serves. The refusal of insurance companies and requesting agencies to cover the costs requires us to institute a policy of charges for the completion of the forms as follows:

NO Charge:

- Workers Compensation requested Disability and Work Status forms
- Auto Insurance Carrier requests for Work Status and Treatment Plans

$15.00:

- Disabled Parking Applications

$35.00/ form:

- Credit Card deferment forms
- Private Disability Insurance Forms
- School Educational Disability or Limitation Forms

$35.00/form

- Family Medical Leave Act (FMLA) forms

$150.00- $300.00

- For completion of any dictated letter describing medical care and limitations
- For any narrative report detailing diagnosis, treatment, and future medical care including work capacity statements. Functional Capacity Evaluation testing may be necessary prior to, or in addition to the narrative report. The fee for the FCE test is determined by the facility that the testing is completed at.

I have read and understand the above. By signing I agree to comply with the Form Fee policy of AOA. Fees subject to change without notice.
