Financial Policy:

Alexander Orthopaedic Associates participates with many forms of health insurance, such as HMO's, PPO's, Workman's Compensation and Medicare. However, few insurance carriers cover all medical costs and a balance on your account may result from co-payments, co-insurance, deductibles, or non-covered services. The patient is responsible for full payment of any and all balances deemed "patient responsibility" by their insurance carrier. We will file medical insurance claims as a courtesy to our patients.

Motor Vehicle and Worker's Compensation: In order for our office to submit your claims for you, you must provide us with the following information: insurance company name, address and telephone number, as well as your claim number, date of accident and claims adjuster's name. Please note for all Workers' Compensation patients, your initial appointment must be scheduled by your nurse case manager or Worker's Compensation adjustor. Authorization must be received prior to the initial office visit. Motor Vehicle patients, please note prior to your initial office visit your auto benefits must be confirmed and verified by our office.

Payment Policy:

All co-payments, co-insurance, and deductibles are paid at the time of service to help control costs of medical care. CONSENT FOR TRANSFER OF BIOLOGICAL SPECIMEN

Florida law (Section 817.5655, Florida Statutes) prohibits the sale or transfer of a person's biological specimen from which DNA can be extracted to a third party without the express consent of such person.

During the course of your care at Alexander Orthopaedic Associates, it may be medically necessary to obtain a blood, urine, stool, tissue or other type of biological specimen for analysis. This analysis **will not** involve the examination of your DNA to identify the presence and composition of genes in your body. After the analysis has been performed and the sample is no longer needed, it will be stored as medical waste and then transferred to a third party for disposal in accordance with all local, state and federal requirements.

It may also be the case that a biological specimen (such as blood, urine, hair, bodily fluids, etc.) from you may be deposited on medical instruments, bedding, clothing or other objects. These objects may then be transferred to a third party for cleaning or disposal.

By signing this document, you affirmatively state that it is your intentional decision to consent to the transfer of any and all biological specimens collected by or deposited with Alexander Orthopaedic Associates to a third party as set forth above. This consent does not authorize the sale or transfer of a biological specimen for the purpose of DNA analysis.
