Dear New Patient:

It is our understanding that you have come to our medical practice for medical treatment as a result of traumatic injuries you sustained.

You may have health insurance coverage which you use for your traditional medical care. Unfortunately, the type of medical care you will require from our facility does not usually line up with the contractual requirements of your health insurance policy.

For example, under most insurance plans we are required to collect, at the time of service, any and all co-payments, deductibles and/or patient responsibility payments. Also, many of the services provided by our facility are not covered by private health insurance or government insurance plans.

Additionally, traditional health insurance coverage often requires authorizations for treatment which may delay our diagnosis of your painful traumatic injuries and may delay our ability to secure the appropriate and medically necessary diagnostic testing quickly and efficiently. This causes a delay in our ability to diagnose your painful injuries so they can be rapidly addressed, treated and hopefully relieved.

There are many other issues that traditional health insurance coverage does not effectively address when treating traumatic injuries that your physician and our staff will be glad to address.

By signing below, you are waiving the use of your health insurance benefits to avoid the above occurrences and to allow our medical practice to treat you in a timely and efficient manner.

We have an alternative payment arrangement that will allow you to defer payments on your medical charges and make it easier for you to handle and prepare for this unexpected financial situation.

We are more than willing to answer any and all questions you may have before you sign this document. You also have the opportunity to have this document reviewed by an attorney of your choosing prior to signing same.

By signing below, you are affirming that you do not wish to use any health insurance benefits that you may have and that all of your questions have been answered satisfactorily by the medical practice.

I _____ hereby waive my health insurance benefits and I wish to be seen and treated by this medical practice through an alternate payment arrangement.

1. Alexander Medical Group, LLC dba Alexander Orthopaedic Associates (hereinafter "Practice") hereby agrees to provide medically necessary care and treatment to the above patient based upon the terms and conditions of this agreement.
2. I _____, (hereinafter referred to as "Patient") do not currently have health insurance coverage or I do have health insurance coverage, however, I do not want to nor do I currently have the ability to comply with the contractual requirements for the use of those benefits, by timely paying the required out-of-pocket costs, co-pays, deductibles, and/or any other forms of patient responsibilities required by my policy. As a result, I have requested and been granted an alternative payment arrangement with the Practice.
3. The Practice agrees to provide the medically necessary medical care and treatment and to bill me at their usual and customary rate.
4. Based upon this agreement the Practice will defer collection of these medical bills as set out below.
5. I understand and agree that I am personally responsible for any and all medical charges billed by the Practice for my treatment and that if at any time, I default on this obligation, I am subject to a collection action and/or civil litigation instituted by the Practice to recover the above medical debt. 6. I understand that I have the right to request, in writing (the form will be provided by the practice upon request), an estimate of medical charges to be incurred prior to undergoing any treatment or procedure at the Practice.
7. If I have retained an attorney, I request and direct the Practice to follow my direction that any and all medical records, cost estimates for medical care and treatment and/or the actual medical billings for services provided be sent directly to his/her office so that I may consult and seek their counsel throughout my medical care and treatment.
8. The Practice agrees to defer the collection on any billings provided to me for 24 months from the date of my first medical treatment without interest.

If my medical debt remains due and owing at the conclusion of that time period, I agree to pay 5% Annual Percentage Rate (hereinafter referred to as "APR") on the incurred medical debt for the third year the debt is due and owing.

I further agree to pay an additional 5% APR for each additional year the debt remains outstanding up to five years from the date of my first treatment at the Practice or a maximum of 15% interest APR. The above interest shall be compounded annually.

At the conclusion of the five-year period, unless I have negotiated a payment agreement with the Practice, collection proceedings and/or civil litigation shall begin for the recovery of the entirety of the medical debt and associated interest that remains outstanding.

9. I, the Patient, enter into this Agreement freely and voluntarily. I have had an opportunity to ask any and all questions of the Practice and I have been provided with satisfactory responses to those questions.

CONSENT FOR TRANSFER OF BIOLOGICAL SPECIMEN

Florida law (Section 817.5655, Florida Statutes) prohibits the sale or transfer of a person's biological specimen from which DNA can be extracted to a third party without the express consent of such person.

During the course of your care at Alexander Orthopaedic Associates, it may be medically necessary to obtain a blood, urine, stool, tissue or other type of biological specimen for analysis. This analysis **will not** involve the examination of your DNA to identify the presence and composition of genes in your body. After the analysis has been performed and the sample is no longer needed, it will be stored as medical waste and then transferred to a third party for disposal in accordance with all local, state and federal requirements.

It may also be the case that a biological specimen (such as blood, urine, hair, bodily fluids, etc.) from you may be deposited on medical instruments, bedding, clothing or other objects. These objects may then be transferred to a third party for cleaning or disposal.

By signing this document, you affirmatively state that it is your intentional decision to consent to the transfer of any and all biological specimens collected by or deposited with Alexander Orthopaedic Associates to a third party as set forth above. This consent does not authorize the sale or transfer of a biological specimen for the purpose of DNA analysis.
